You must sign above that you understand and will abide by all terms listed!

- ✓ You will be called a day or two before a scheduled picking day. You may accept or decline the shift. Pickers will meet at Jeffers' barn at 1505 W Raymond Road. (Driveway is east of winery & down the long driveway). Please do not show up to pick unless you have been called.
- ✓ You must work the entire shift you agreed upon. If you cannot work the entire shift, please do not agree to pick for that day. Crew size & hours are based on grape type and field size picked that day.
- ✓ Grape harvest usually starts mid-August and runs into September. Harvest dates depend on grapes' maturity. Picking will be set as each field ripens.
- ✓ Your wage is based on the number of buckets picked during your shift. Bucket prices will be announced each day. Generally \$2.00 to \$2.50 per standard 5 gallon bucket.
- ✓ You will sign in/out a grape picking fork daily. Forks are checked in at the end of each day. If your grape fork is not returned, a \$10 fee will be deducted from your check.
- ✓ Bring your own lunch. You are responsible for any items that you bring. Water will be provided.
- ✓ Do not call the winery as the harvest decisions are made by the farm management. In case of emergency, call Josh at 402-432-1256.
- ✓ Your check will be ready the next week after 3 p.m. on Wednesday from Josh. Any check not picked up within two weeks will be mailed to the provided address. Cash your check within 60 days.
